

Dear Friends,

Lodging House Mission Harvest Appeal 2021

Harvest time will soon be upon us and a number of you have been asking for our Harvest List to help the congregation bring specific items of food that we require to help feed our visitors each day.

We appreciate that many churches are not back to pre-Covid numbers and that it may be more difficult than normal to provide the fantastic support you have given for many years. We are very grateful for any donation which you are able to give.

Your contribution has meant that we are still able to provide free breakfast and lunches to our Service Users. We require around 100 harvests to enable us to provide all these meals over a 12 month period. The number of hours to sort out all that we receive into the correct product and date is huge. To help us with this task, we are asking if you will please keep to the list that has been prepared by the kitchen staff. This will reduce time and space requirements.

We will be able to accept harvest donations any weekday during our opening times, 8am till 3pm.

We have not yet commenced our weekend service but **by arrangement** we can open on a Sunday to allow you to bring food directly from your church service. **(Phone Helen on 0141 552 0285.)**

We acknowledge that many congregations prefer to give us a **financial donation** and this will also be very much welcomed. Financial donations help us with our meat, fish, fruit, vegetables, eggs, milk and other items we need throughout the year.

Many thanks once again for your continuing support and please help us in whatever way you can. Your kindness and generosity at this special time really helps us to make a difference.
